

The diagram illustrates a road intersection. At the top, two circular signs are shown: one with the number '201' and another with '054'. To the right of these signs, text indicates 'Trasa nr 69 Bierawa km 50,45' and 'Trasa nr 221 Bierawa km 10,31'. Below the signs, a horizontal line represents the road, with 'asfalt' (asphalt) written below it. To the left of the intersection is 'Pogorzelec' and to the right is 'Ksieża Łąka ->'. The intersection itself is marked with a black T-junction symbol. Below the intersection, two red rectangular signs are shown, each containing a white bicycle symbol and three vertical red bars. The sign on the left is labeled 'R-1/ZDYS/L proj.' and the sign on the right is labeled 'R-1/ZDYS/R proj.'.
